Goochland-Powhatan Community Services, located in Central Virginia, is hiring for the position of Crisis Stabilization Clinician.

The Crisis Stabilization Clinician is responsible for providing the following services to consumers diagnosed with mental health, substance abuse, and/or intellectual disabilities: community-based crisis stabilization for identified consumers; crisis assessment and intervention; follow-up for identified consumers during a psychiatric hospitalization; initial follow-up for consumers under a Mandatory Outpatient Treatment order; outpatient therapy for a small caseload; and after-hours emergency services (including hospitalization assessments) on a rotating basis. Requires Master's degree in human services field. Licensed or license-eligible preferred; prescreener certification a plus. Position will be located in the Goochland clinic.

Incumbent will be directly answerable to and will receive regular supervision from the Emergency Services Supervisor.

SALARY RANGE: \$35,198-\$37,628

Closing date: COB, Friday, August 6, 2010.
